

Cross-country skiing

Learn to ski cross-country skiing and admire beautiful landscapes with a local guide. Spend a nice day or half exploring the nature!

This trip is a great opportunity to take nature pictures and with some luck you may also see footprints of wild animals or even animals themselves. You may try sliding on even surface as well as downslopes. Warm beverages and snacks are offered during this trip. Great fun for all!

Two starts a day: At 10 AM and 2 PM.

Created in the 19th century, the cross-country skiing is really popular in Northern Europe countries and is part of Nordic skiing sports. Often used by explorers as a mean of transport, it is now a recreational activity, most frequently known as touring. From extended periods using tents to relatively short trips on maintained trails, cross-country skiing is also considered as competition, contested for first time at the Winter Olympic Games in 1924.

Price: 79 euros/adult and 39,50 euros/child under 15.

All day trip with light lunch: 119 euros/adult and 59,50 euros/child under 15.
