

Rally driving experience

Rally driving excursion in arctic winter conditions of Lapland! Learn and train how to slide, brake, and accelerate on a slippery surface! Practise all your driving skills on the ice. You can also have a short one lap competition by special rally cars!

Typical cars used are Ford Escorts, Ford Mondeos and other legendary rally cars. Guiding, transfers to the track and back and winter gear, clothes and boots are included. Family members who don't drive may come with by a half price.

We recommend this program if you wish to rent a car in Lapland!

There is also a possibility for lunch by additional price.

Driving licence IS NOT needed :)

Price: 299 euros/adult
